

PROJECT KATWE - RAFFLE WINNERS -

Mississauga, Ontario—October 22, 2008

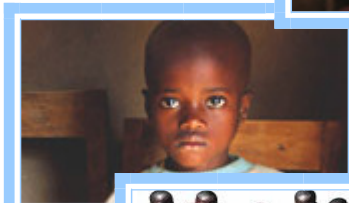

Brink's Canada is pleased to announce the winners of the Project Katwe Raffle held on September 26th.

The funds raised through our nationwide campaign will be donated to Project Katwe, a World Vision initiative that Brink's Canada has been supporting since its inception.

Brink's Canada has partnered with World Vision to raise funds for orphaned and vulnerable children in Katwe, Uganda. With over 80% living on less than \$1 a day and an AIDS prevalence rate of 6.7%, the life expectancy of Ugandans is only 49 years.

We would like to thank all the participants for their generosity and to congratulate the lucky winners.
