Brink's Canada is Honoured to Support the Canadian Red Cross in its Alberta Fires Appeal

MISSISSAUGA, ON., May 10, 2016 – Brink's Canada was pleased to answer the call from the Canadian Red Cross to ship prepaid debit cards for distribution to more than 88,000 area residents affected by the devastating wildfires in Fort McMurray, Alberta.

Brink's made a delivery Sunday night and is on call for the Canadian Red Cross. "Brink's Canada is grateful to be able to help with the efforts in any way we can," said Chris Parks, President and General Manager, Brink's Canada Limited. "I am proud of the way our employees have come together, not only to support this request, but to support our own employees who are affected by this devastation."

Brink's Canada has encouraged employees who want to support the relief efforts to make a financial donation to the Canadian Red Cross online at www.redcross.ca, by calling 1-800-418-1111, or by visiting their local bank branch. Donations can provide relief for those affected.
